Hou. J. W. C. Watson and the U. justice to an old servant. The State took S. Senatorobly Again.

HOLLY SPRINGS, Dec. 6, 1875. EDS. CLARION :- In a note to my article in your paper of the 24th ult., you remark that the writer was probably not aware that Gen. Lowry, Hon. A. R. Johnston and Hon. Lock E. Houston, were old Whigs. I did know that they were old Whigs, but did not know, at the For U. S. Senator-Hon. J. Bailey. time my article was penned, that they were candidates for United States Sens-

have a most favorable effect, as I think, I want to begin the new life with throughout the country, especially in new and true men. WASHINGTON NEWS.

I am not writing in any personal interest, but in behalf of what I sincerely believe to be the public good. I have other personal friends who are candidates for the place, for whom I would feel as Grant to Deliver Himself on Mississippi deep a personal interest as for Mr. Watson. But I take my position on higher grounds; on ground which cannot, I think, be overlooked, without shutting A Dish of Outrages to be Cooked our eyes to the manifest dictates of jus tice and good policy. And it is hard to do an unjust or impolitic thing without producing harm.

I see that "An Old Henry Clay Whig protests against the advocacy of Mr. Watson's claims upon the ground above taken. I admit the claim would not come with a good grace from a Whig; but coming from a Democrat it is a very different matter. It then becomes a volseems to me, was required to discover the tions in that State, the information havdisgusted with the sycophancy to Radical sentiment which this idea seeks to pander to." I have only two observations to make in reply to this. The first is, that York, offered a resolution providing for Parties proposing to compete will be furslways opposed to secession; but upon the different ground that although that that had been their lifetime fath, yet when the State decided for secession, their of the country. These resolutions were the interests of the country of the country. These resolutions were the interests of the country of the country of the country. These resolutions were the interests of the country of the vocates. And if your correspondent does not see the wisdom of conciliation, Much responsibility devolved upon the cause of secession as its most ardent adhe is blind to the signs of the times, and ought to think twice before writing again. ate was not, politically, in accord with And lastly, if had he exercised more dis. them. The country desired the stoppage cernment, and less "disgust," in considering my article, he would have taken its points of corruption and all wasteful expenditures, and the Democracy could not exbetter, and been a wiser and a more con-tented man.

tented man. I see that some papers criticise severely the Ames resolutions, as they are called, of the Holly Springs Democratic Club, which were introduced by Mr. Watson. I was present at that meeting and voted against those resolutions, and would do so again. But I think there has been much hyper-criticism upon them. They were not intended to forestall the action of the Leislature in any respect; the signed to advance the true and permanent interests of the State." That is, as I understood it, to co-operate with him in good faith, while he may be Governor, in any faith, while he may be Governor, in any time of meeting, as provided by the liverson. The title to the above realty is believed to be good, but we will only convey such title as is vested in us as Trustees.

INO. H. ECHOLS, W. H. CONGE. measures to promote those interests which time of meeting, as provided by the he may be disposed to forward; "but no Constitution, viz; First Tuesday, (4th say. Thus understood, they are very submit that it would be advisable for
